

SAINT FRANCIS OF ASSISI COLLEGE

SAINT ANTHONY SCHOOL – LOS BAÑOS

PRESIDENTIAL MESSAGE FOR BATCH 2018

“Excelling with Faith, Championing with Humility”

“Holistic education aims at helping students be the most that they can be. Abraham Maslow referred to this as “self-actualization”. Education with holistic perspective is concerned with the development of every person’s intellectual, emotional, social, physical, artistic, creative, and spiritual potentials.”

Saint Francis of Assisi College molds all learners with holistic education that they must get. With the practices our institution have been doing in the curricular, and co-curricular activities, and the support you our parents are giving, the success of our children will be surely attained. This has been started in Saint Francis of Assisi College, and has been put to good practices. Hand in hand, with our prayers, all will lead to the “BEST” our children deserve in the near future.

Our Franciscan students are provided with all the materials and activities in education that help them to be competitive. They deal to these with faith that they will be able to succeed with humility. Franciscans are known for these.

To you Franciscan graduates, Kudos! Remember to always EXCEL WITH FAITH, you can do all things which you aim, just believe in yourselves. CHAMPION WITH HUMILITY, but always put your feet on the ground. All these direct you to be the best of what you are and what you can be.

CONGRATULATIONS AND SOAR HIGH GRADUATES!
