

SAINT FRANCIS OF ASSISI COLLEGE

SAINT ANTHONY SCHOOL – LOS BAÑOS

PRESIDENTIAL MESSAGE FOR BATCH 2015

Academics. *And beyond.*

This is what Saint Francis of Assisi College is all about. It is a dynamic synergy of a solid academic foundation and a richly diversified set of extra-curricular endeavors that creates a relevant and well-rounded Franciscan experience.

You can all walk with heads held high and take on any challenge the world has to offer. You are destined to make an impact, to make a difference. You possess not only the skills to excel in your chosen field but more importantly, you possess the character and wisdom of a true Franciscan.

The learning you have absorbed inside the walls of the classroom has made you a successful student of this institution. But the learning beyond these walls has made you a triumphant student of life. You are now empowered with the ability to think and solve and the character to discern and decide.

You are the product of total development. This is reason enough to face the world without fear and hurdle obstacles with confidence.

Continue to soar high Class of 2015!
